

BM LADDERS, CATWALKS & GUARD RAILS

The Ultimate in Grain Care

WHY BDC SYSTEMS?

SALES & DESIGN

We offer a full range of post-harvest equipment from world-leading manufacturers. Our sales team covers the entire UK and Ireland, and are highly experienced in designing and specifying systems for new-build and plant extensions on an agricultural and industrial scale.

TECHNICAL SUPPORT

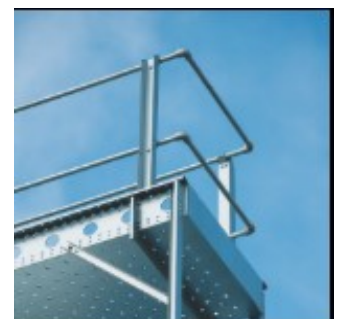

As well as after-sales support, our technical support department has an enviable knowledge of all aspects of grain drying, storage, cleaning and conveying.

SPARES

We keep in stock a wide range of commonly required spare parts and ducting for much of the equipment we supply. This can be dispatched quickly by carrier or on our own transport for local customers. Items not carried as standard stock can be sourced quickly from the original manufacturers.

- ◆ DRYING
- ◆ HANDLING
- ◆ STORAGE
- ◆ VENTILATION
- ◆ CLEANING

**The Ultimate
in Grain Care**

- ◆ **LADDERS:** Available in lengths from 4 to 18 meters. Manufactured from aluminium and complete with safety cage.
- ◆ **CATWALKS,** for installation between and above silos, catwalks are manufactured from galvanised sheet with raised perforated tread plate creating an anti-slip surface. BM catwalks are available in lengths of up to 6m and are 800mm wide as standard.
- ◆ **GUARD RAILS** for modular silos are manufactured from galvanised steel and can be mounted on many different silo types.
